I am going to ask you to check that. I will tell you why. This may not be the case, but typically, when a document has the number 13 at the bottom, or any number at the bottom, that indicates page number. And if it's 13, it's a rational conclusion there are pages 1 through 12.

I am going to ask you to check and see if you have any of those other pages, if they exist.

I only received two pages, total, from Jersey at that time.

Did you file any papers with the court to effectuate this name change?

Yes. There is a series of procedures that you have to go through. And I just don't know how many pages I did in the beginning.

I know this was the final form that they sent to me in the mail.

Did you retain copies of the other papers you had to complete and send to the court?

No, I don't think so.

17 (Whereupon the above referred 2 to documents were marked, Defendant's 3 4 Exhibits 2 and 3, for identification, 5 as of this date, by the reporter) 6

Miss Mann, your name has never been Jordan Rhonda Mann; is that correct?

No. Sometimes people would make mistakes, and then sometimes it's like I will -well, people would put brackets. As long as it was the same social security.

Do you know what a form W-4 is? Q

Yes. Α

It's a government form, would that be 0

Yes. Α

24 Q What is that?

25 It's a W-4 form that I filled out.

Since you remember the tax returns, Q specifically, does this help you remember, at least generally, when you made the tax return search?

Α It would definitely have to be after June 21, 2007 up to this point. It would have to be after that.

Let me ask you this. Let's see if we can get a finer time frame on it.

Α Okav.

At some point, I don't want to get into privileged areas, but at some point you were asked to look for your tax returns; would that be right?

Yes. Α

Do you remember what time of year that was; in other words, what season it was? Was it the summer, winter?

I would say I have had my stuff in 18 storage since sometime in 2006. 19

Why did you put stuff in storage in 20 Q 2006? 21

I had to leave my apartment in 2006 22 because I could not afford the rent anymore, and 23 24 I had to move.

Q You did not get the result you wanted from Air China either, correct?

A Correct.

Q About when did you make those calls? You can time it one of two ways: How long ago, starting with today, or how long after you made your original flight reservations.

A When I called to see if I could change it, it must have been a few days or even a day or couple of days that I called to see if I could change it.

Q Why did you call to see if you could change it? I am not asking you to review the content of the discussions you may have had with your lawyer, because those are privileged.

Is it accurate you could have changed your flights, but it would have cost money? In other words, the flights were available, it was just the cost of it that caused you not to change your flights; is that accurate?

Well, even when I was -- like my first one way, I called American, and they said nothing was available. I could not believe it, that nothing was available. I was just going with the ticket that I already bought. I was sort of waiting closer to the day for this guy on the Internet to get back to me.

But the leg between New York and Singapore, you could have taken that flight if you were willing to pay the extra fare?

I bought that through priceline.

You could have changed it, but you would have had to buy a new ticket; is that right?

Well, technically, it's not changing. Technically, it's like buying a whole other ticket.

1 My question is, you had determined, 2 3. before you got on the plane to come to New York, 4 you had determined you were not going to be able 5 to change your flights, either coming to 6 New York or leaving New York tomorrow? 7

MR. UMOH: Objection as to form.

Q Is that correct?

Well, the way you're phrasing it, you are saying I was determined not to change my flight.

No, I am sorry. I am not trying to give that impression.

All I am trying to do is figure out when you stopped making any effort to change your flight. I just want to know when you took the last step to see whether you can change your fliahts.

The last time I looked into it was definitely before I boarded the plane.

On the 5th, Guam time; is that Q right?

24 I am sorry. What was the question? 25

I am trying to figure out when it was Q

MR. UMOH: Objection. A Well, it's like you are saying that I have stopped. I never stopped. I have not been able to. I think that's what I am trying to say. Q That's fair enough. Let me try to clarify it. When was the last time you took any step to change your flight to Singapore, the timing of your flight to Singapore? Does that help? A Well, if I am e-mailing peoplewell, I don't know a specific date. Q My effort is to try to find out when you took the last step. A It's Craigslist. Q Were you trying to trade your ticket? A I did not even know I could do that. It never occurred to me to trade a ticket. It was just sort of buying miles, which is cheaper, from someone who had miles. Q Why were you doing that if the ticket you already purchased was nonchangeable and nonrefundable? A I was doing that because it still would have been cheaper. And I felt nervous because if I was not able to be here, it would negatively impact my case. Q So you searched on the Internet. you started working for Plus One?

Correct.

What, if anything, were you told about working at the Trump facility before you took the position?

13 I know I was definitely told the 14 salary.

The Trump World Towers is a residential building, correct?

I believe so. 24 Α
